Respected Madam,

With reference to the subject and references, in this context it is bring to your urgent attention that despite previous communications regarding the PM Yasasvi Scholarship, application rates are significantly lower than expected.

Additionally, the application numbers for both Post Matric and Pre Matric scholarships for OBC/EBC/DNT Students are also very low, impacting our overall performance and targets.

Given that the October 31, 2026, deadline is rapidly approaching. I request you to immediately expedite the process at your level. Please encourage maximum participation from eligible students to ensure the benefits of these schemes are fully realized.

**District Social Welfare Officer,
Pulwama**
