WORLD ENVIRONMENT DAY 2024

World Environment Day is celebrated every year on 5th June. This year's World Environment Day campaign focuses on land restoration, desertification, and drought resilience under the slogan "Our land. Our future. We are #Generation Restoration." In connection with this, IIC GDC Pampore, Department of Environmental Science (EcoClub) in collaboration with the NSS Unit of the college celebrated World Environment Day and held a Cleanliness drive at Chandhara Spring and its outlets. The team of EVS students (Major/Minor), NSS volunteers, accompanied by NSS Programme Officers Prof.Kasira, Prof.Irtiza and Dr.IrfanKhursheed Shah (HOD, Env. Science), Dr.ShabirHussain (HOD, Chemistry) and Dr Iqbal (HOD, Islamic studies) departed from the college at 10:30 am. The team visited the Chandhara Spring which is located at a distance of about 5 km from the college and different types of waste material were collected from the spring in the form of polythene bags, plastic bottles, shampoo wrappers and clothing and finally the said spring was thoroughly cleaned including its outlet. The cleanliness drive was followed by awareness campaign and interactions with the local community members. During the awareness presentation, Dr.IrfanKhursheed Shah and Prof. Iqbal Malik discussed their meaningful and inspiring thoughts for World Environment Day and suggested the essential preventative measures for managing and safeguarding the spring. Following that, the team traveled to the local government school in Kranchu, which is about 3 km from the college. There, Dr.IrfanKhursheed Shah gave a detailed lecture on this year's theme, which is land restoration and desertification, and shared his views with students. Following that, refreshments were given to the students, and finally the team returned the college back at 2:30 pm. Around 50 students including NSS Volunteers of the college participated in the drive.

Session On “Guiding Framework for Creating and Engaging Trained Faculty and Student IIC Members, Innovation Ambassadors (IA) in IIC Institutions, and Rewarding Mechanisms for IAs”

On 29/07/2024 an online session was conducted by Mr. Dipan Kumar Sahu, Assistant Innovation Director, MoE's Innovation Cell at 11:00 AM

The discussion centered on the "Guiding Framework for Developing and Involving Trained Faculty and Student IIC Members, Innovation Ambassadors (IA) in IIC Institutions, and Incentive Mechanisms for IAs" sought to present a systematic methodology to enhance innovation and entrepreneurship in educational settings. Emphasis was placed on the training of faculty and students, the active involvement of Innovation Ambassadors, and the creation of incentive structures designed to motivate their contributions.

The main goals included the establishment of a comprehensive framework designed to facilitate the engagement and training of IIC members and Innovation Ambassadors. Additionally, the emphasis was placed on the significance and methodologies of training both faculty and students. Furthermore, the discussion encompassed the implementation of effective reward systems for Innovation Ambassadors.

Almost 50 students and IIC members attended the meet online from different departments.

Session On "Strengthening IIC Linkages with ATLs and SICs in Schools and the Framework for Providing Mentorship and Guidance" IIC 6.0 for Academic Year 2023-24

On 31 /07/2024 an online session was conducted by Mr. Dipan Kumar Sahu, Assistant Innovation Director, MoE's Innovation Cell at 11:00 AM

The session on "Strengthening IIC Linkages with ATLs (Atal Tinkering Labs) and SICs (School Innovation Councils) in Schools and the Framework for Providing Mentorship and Guidance" aimed to enhance the innovation ecosystem from schools to higher education institutions (HEIs). The initiative seeks to create a seamless pipeline of innovation by linking the Institution's Innovation Council (IIC) with school-level innovation entities

The main aim of the meeting was to facilitate a comprehensive understanding of the connections between Innovation and Incubation Centers (IICs), Atal Tinkering Labs (ATLs), and School Innovation Councils (SICs). Additionally, the gathering sought to establish a robust framework that would enhance mentorship and guidance. Furthermore, it provided a platform for the exchange of best practices and success stories that highlight the fruitful collaborations between Higher Education Institutions (HEIs) and schools.

The session underscored the significance of following linkages

- **Continuity in Innovation:** Ensuring a continuous innovation journey from school to higher education.
- **Resource Sharing:** Leveraging resources, expertise, and facilities across educational levels.
- **Mentorship Opportunities:** Providing students with access to experienced mentors from HEIs

Session On “Building the Pipeline of Quality Innovations and Startups in Higher Education Institutions (HEIs) with Ecosystem Enablers by Creating and Managing YUKTI Innovation and IPR Repository (YIIR)” IIC 6.0 for Academic Year 2023-24

On 02/08/2024 an online session was conducted by Mr. Dipan Kumar Sahu, Assistant Innovation Director, MoE's Innovation Cell at 11:00 AM

The session on "Strengthening IIC Linkages with ATLs (Atal Tinkering Labs) and SICs (School Innovation Councils) in Schools and the Framework for Providing Mentorship and Guidance" aimed to improve the innovation ecosystem spanning from educational institutions at the school level to higher education institutions (HEIs). This initiative aspires to establish a continuous flow of innovation by connecting the Institution's Innovation Council (IIC) with innovation entities at the school level.

The main goals of the session included a comprehensive introduction to the YUKTI Innovation and IPR Repository (YIIR), emphasizing its crucial role in promoting innovation and safeguarding intellectual property. Additionally, the session focused on strategies for developing a strong pipeline of high-quality innovations and startups within higher education institutions (HEIs). Participants were encouraged to identify and utilize various ecosystem enablers that can facilitate innovation and startup initiatives. Furthermore, the session aimed to provide education on the effective management of intellectual property rights (IPR) to enhance participants' understanding and capabilities in this area.

The Session was interactive and the participants took part in dynamic sessions and examined various case studies, which included narratives of successful innovations and startups that originated from higher

education institutions (HEIs), emphasizing the contributions of the Youth Innovation and Incubation Resource (YIIR) and other ecosystem facilitators. Additionally, the discussions encompassed the obstacles encountered in the realms of innovation and intellectual property rights (IPR) management, fostering a collaborative environment for generating potential solutions.

The meeting ended with a resolution to cultivate a culture centered on innovation within higher education institutions. Attendees were urged to make active use of the YIIR platform, collaborate with ecosystem facilitators/enablers, and emphasize the importance of managing intellectual property rights to guarantee the sustainable development of innovations and startups.

Session On "Orientation cum Refresher's Session on Institution's Innovation Council (IIC) Objectives, Structure, and Operation" IIC 6.0 for Academic Year 2023-24

On 05/08/2024 an online session was conducted by Mr. Dipan Kumar Sahu, Assistant Innovation Director, MoE's Innovation Cell at 11:00 AM

The Orientation cum Refresher's Session on Institution's Innovation Council (IIC) was held to provide a comprehensive understanding of the objectives, structure, and operations of the IIC to all stakeholders. The session aimed to foster a culture of innovation and entrepreneurship within educational institutions, in alignment with the guidelines set by the Ministry of Education's Innovation Cell (MIC).

Many students and IIC members attended the meet online from different departments.

The session commenced with a comprehensive outline of the key goals of the Innovation and Incubation Center (IIC). The main objective is to cultivate a culture of innovation among students, faculty, and staff, thereby promoting creative thinking and problem-solving. Additionally, the IIC aims to nurture entrepreneurial skills and mindsets through various workshops, seminars, and mentoring opportunities. Another significant focus is on fostering collaboration and partnerships with industry, academic institutions, and governmental organizations. Furthermore, the center is dedicated to supporting the establishment and development of startups by providing essential incubation facilities. Lastly, the IIC emphasizes the importance of skill development to equip students with the necessary competencies to meet the demands of the future

**Report of the activities held under the celebration International Youth Day (2024) by
IIC along with ATL SCHOOL GOVT HIGHER SECONDARY SCHOOL LADHOO**

To observe International Youth Day, the Govt. Degree College Pampore organized a series of activities on 28th August 2024 under the able leadership of Principal of the college, Prof. Saffiya Khalil. The event, collaboratively organized by the Institution's Innovation Council (IIC), Red Ribbon Club, and the Department of Physical Education of the college, aimed at promoting youth engagement in sustainable development through digital pathways and fostering skills such as entrepreneurship. The main focus of the program was that 30 students and 5 faculty members from ATL school GOVT HIGHER SECONDARY SCHOOL LADHOO were the main participants.

Activities Organized:

1. Awareness Programme: An awareness programme on the theme "From Clicks to Progress: Youth Digital Pathways for Sustainable Development". The awareness programme commenced with a formal welcome address by the Principal of the college, Prof. Saffiya Khalil. In her address, she highlighted the role of youth in promoting sustainable development by adopting green skills. She emphasized the importance of youth involvement in fostering growth and effecting positive societal change. Following the Principal's address, Dr. Irfan Khurshid Shah, Convenor IIC, briefed the students on the objectives of the programme and the purpose of the IIC. He elaborated on the theme "From Clicks to Progress: Youth Digital Pathways for Sustainable Development," stressing how youth can leverage digital platforms to achieve Sustainable Development Goals (SDGs). Dr. Shah underscored the significance of engaging youth's critical thinking, innovation, and leadership in accomplishing these goals. The event also featured an expert talk on "Entrepreneurship for Youth" delivered by Mr. Irtif Lone, Executive Manager, Handicraft Department, J&K. Mr. Irtif Lone focused on the importance of inculcating entrepreneurship skills among the youth and promoting a startup culture. He shared various case studies of successful startups and provided the students with fundamental knowledge and skills required for entrepreneurship. He also discussed strategies for making startups successful and the potential for generating employment by encouraging youth towards entrepreneurial ventures. His talk offered a comprehensive understanding of the essentials of entrepreneurship. The programme was attended by the faculty, students of host college and the students of ATL School Govt. Higher Secondary School, Ladhoo.

3. Poster Making Competition: A poster making competition was also held on the theme "Youth for Sustainable Tomorrow", allowing students to creatively express their ideas about sustainability on their canvases. The participants showcased their artistic skills, effectively highlighting the theme "Youth for Sustainable Tomorrow." The jury for the competition consisted of Prof. Hilal Bakshi (Head, Department of Physics), Prof. Samina Yesvi (Head, Department of Zoology), and Prof. Arifat Jan (Head, Department of Political Science). The top three positions were awarded to Seerat ul Nisar of 2nd Semester, Saika Bashir of 5th Zeehana of 5th Semester.

4) Mentor-Mentee Meet with ATL SIC members

An interactive session between ATL SIC members and IIC members was also held at the end of the programme. A discussion on the future course of action was held. The school staff thanked IIC for providing a transport facility for the event.

The proceedings of the programme were efficiently conducted by Dr. Irfan Khursheed Shah, Convenor IIC. The event concluded with a formal vote of thanks proposed by Prof. Redwan Nayeem, Co-Convenor IIC, who expressed gratitude to all the participants, faculty members, and guests for making the event a success. The overall event was coordinated by Dr. Irfan Khursheed Shah, Coordinator IIC, Prof. Redwana Nayeem co-coordinator IIC, Prof. Tazeen Buchh, convener of the Red Ribbon Club and Ms Sakeena PTI. The report of the programme was prepared by Prof. Kasira, Head of the Department of Education.
