**Report on Plantation Drive at GDC Pampore**

**Date: 06-04-2026**

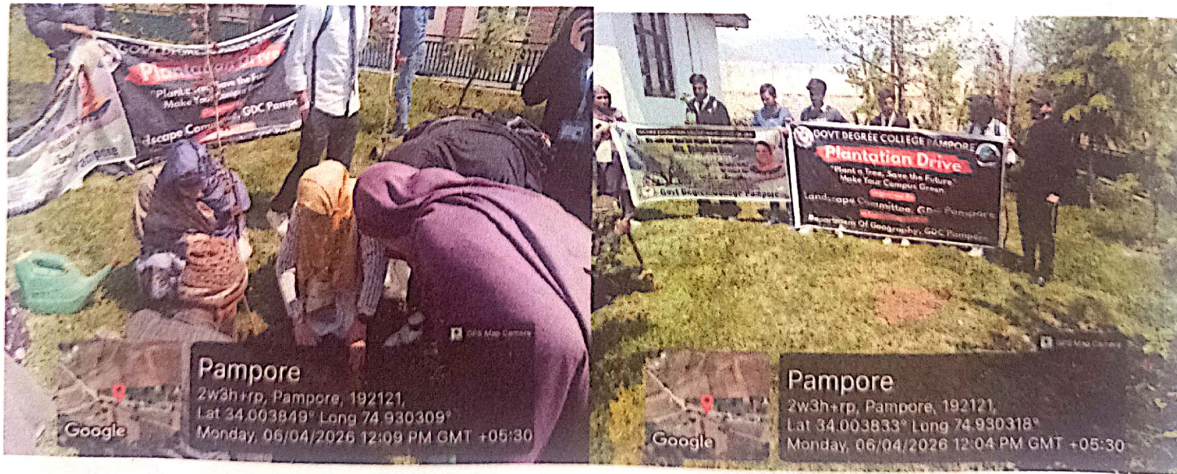

In support of the Union Territory wide environmental initiative in Jammu and Kashmir, the Landscape Committee of Government Degree College (GDC) Pampore in collaboration with NSS and the Department of Geography, GDC Pampore organized a plantation drive on Monday, 6th April 2026, at 12:00 noon and planted 135 trees within the college premises.

The event witnessed enthusiastic participation from both students and staff members, reflecting a shared commitment towards environmental conservation and sustainable development. The plantation drive was conducted as part of a broader effort to enhance green cover, promote ecological balance, and raise awareness about the importance of preserving nature.

During the drive, a variety of saplings were planted across designated areas of the campus. Participants actively engaged in the process, demonstrating teamwork and responsibility toward creating a greener environment. Faculty members guided students on the significance of tree plantation and the long-term benefits it offers, including improved air quality, biodiversity conservation, and climate regulation.

The initiative not only contributed to the beautification of the campus but also instilled a sense of environmental stewardship among the participants. The college administration appreciated the efforts of everyone involved and emphasized the need for continuous participation in such eco-friendly activities.

The plantation drive concluded successfully, leaving behind a positive message about collective responsibility in protecting and nurturing the environment.
