Day 2: Student Lectures on Women's Sensitization-11th March, 2026

As part of the ongoing **Women's Day Week celebrations**, the **second event** of the programme was organized on **11th March 2026**, featuring **student lectures on women's sensitization**. The activity aimed to encourage students to engage critically with themes related to **gender awareness, respect, and social responsibility**.

Students from different semesters delivered short lectures highlighting topics such as **gender equality, women's rights, the importance of education for women, and the need to challenge stereotypes and discrimination**. The speakers emphasized the role of education and awareness in creating a more **inclusive and equitable society**.

The presentations reflected thoughtful engagement with contemporary social issues and demonstrated the students' commitment to promoting **respect, dignity, and empowerment for women**. The audience actively listened and interacted with the speakers, making the session both informative and engaging.

The programme not only provided students with a platform to express their views but also contributed to **sensitizing the student community about the importance of gender equality and respectful social conduct**.

Day 3- Fishbowl Activity-12th March 2016:

The Women Development Cell in collaboration with Dept of Music of organized a Fish Bowl Activity on 12th March 2026 as part of the week-long celebrations of International Womens Day.

During the activity, both students and faculty members actively participated by picking questions from a bowl and responding to them. The questions focused on themes such as women’s empowerment, gender equality, challenges faced by women in society, and the role of education in empowering women. The interactive format encouraged participants to share their views, experiences, and perspectives openly.

The programme created a lively and engaging environment, promoting dialogue, awareness, and reflection on issues related to women’s rights and empowerment. The activity concluded with appreciation for the enthusiastic participation of students and faculty, highlighting the importance of collective efforts in promoting gender equality and empowering women.

Day 4: Concluding Event of Week-Long Celebrations of International Women's Day

GDC Pampore -14th March 2026

In continuation of the week-long celebrations of International Women's Day, the Women Development Cell of Government Degree College (GDC) Pampore organized the concluding event on 14th March 2026 in the college premises. The programme marked the culmination of a series of activities conducted throughout the week to celebrate the achievements, creativity, and empowerment of women.

To mark the end of the celebrations, the students enthusiastically set up various stalls showcasing their skills, creativity, and entrepreneurial abilities. The stalls included food items, handicrafts, art and craft displays, books, and fun games, which attracted active participation from students and faculty members. The initiative provided a platform for students to demonstrate their talents while also promoting the spirit of collaboration, creativity, and innovation.

The Principal of the college Prof.(Dr) Gazala Gaiys visited all the stalls, interacted with the students, and appreciated their efforts and creativity. While interacting with the participants, the Principal encouraged the students to look beyond conventional boundaries and explore their talents and entrepreneurial potential, emphasizing the importance of confidence, innovation, and self-reliance among young women.

The event witnessed a lively and enthusiastic atmosphere as students and faculty members visited the stalls, appreciated the initiatives taken by the participants, and supported their efforts. The activity aimed to foster creativity, self-reliance, and entrepreneurial thinking among students, aligning with the broader objective of women empowerment.

At the end of the programme, certificates of appreciation were distributed among the student participants in recognition of their active involvement and efforts in making the event successful.

The concluding programme wrapped up the week-long celebrations on a vibrant note, reflecting the enthusiasm, talent, and collective spirit of the students of GDC Pampore. The Women Development Cell expressed gratitude to the faculty members and students whose active participation made the celebrations meaningful and successful.
