GOVERNMENT DEGREE COLLEGE PAMPORE

NATIONAL SERVICE SCHEME (NSS)

REPORT ON CLEANLINESS DRIVE UNDER "SWACHHATA HI SEVA"

Date: 29 October 2026

The National Service Scheme (NSS) Unit of Government Degree College Pampore, in collaboration with the Departments of Economics and Environmental Sciences, organised a cleanliness drive on 29 October 2026 under the banner of "Swachhata Hi Seva 2026-27". The activity aimed to promote cleanliness, environmental responsibility and active student participation in community-oriented service.

Objectives

- To encourage students to adopt cleanliness and waste-management practices in everyday life.
- To create awareness about the environmental consequences of littering and improper waste disposal.
- To foster civic responsibility, teamwork and a spirit of voluntary service among students.

The programme connected the objectives of Swachhata Hi Seva with practical environmental action. It highlighted the importance of preventing litter, keeping shared spaces clean and translating environmental awareness into responsible behaviour. The collaboration between the NSS Unit and the Departments of Economics and Environmental Sciences also provided an opportunity to link community service with broader concerns relating to environmental sustainability and collective action.

Participation and Outcomes

Students participated actively in the cleanliness drive and demonstrated cooperation and a willingness to contribute to the upkeep of the surrounding environment. The activity helped reinforce awareness of responsible waste disposal, the value of voluntary service and the role of young people in maintaining clean public spaces.
