

Report on Observance of Chinar Day and Launch of Save Chinar Campaign on 16th March 2026 organized by Wildlife Conservation Fund in collaboration with Department of Geography and NSS Unit, Govt. Degree College, Pampore

The Wildlife Conservation Fund observed Chinar Day in the college campus with the objective of promoting environmental awareness and encouraging tree plantation. The programme was organized in collaboration with the Department of Geography and the NSS Unit of GDC Pampore.

On this occasion, students actively participated in the plantation drive organized within the college premises. Saplings of Chinar were planted at designated locations in order to highlight the ecological importance of trees. Students from the Department of Geography and members of the NSS unit displayed great enthusiasm and dedication during the plantation activity. The programme successfully created awareness among students regarding the importance of environmental conservation and the need to preserve valuable tree species like the Chinar.

The programme was successfully conducted under the guidance of esteemed Principal Madam Prof. (Dr.) Gazala Gaiys. The event was also graced by Prof. G.M Bhat, Advisor, The Nature University as special Guest of Honour, Mr. Mohammad Altaf Hakim, Range Officer, Model Forest Range, Pampore, Advocate Nadeem Qadri, Environmental Lawyer, Mr. Hilal Ahmad Dar, Project Director, Go Green Pampore, Mr. Nadeem Ahmad Dar, Project Director, Go Green Kashmir and Mr. Abdul Ahad Wani as Special Invitee. The collaborative effort of the Wildlife Conservation Fund, the Department of Geography and the NSS unit made the event meaningful and impactful.
