

Report of webinar on

"E Learning Assessment Techniques: Teaching is Different in 2021"

Sunday June 20 2021: Internal Quality Assurance Cell, GDC Pampore Organized one day national Webinar on Theme "E Learning Assessment Techniques: Teaching is Different in 2021" Via Google Meet. Nearly 80 faculty members from various colleges and universities joined the webinar virtually. The webinar is being organised at a time when all educational institutions are taking the e-learning route to complete the syllabus due to coronavirus lockdown. "We all are amid an extraordinary situation emerging out of the global pandemic and the consequent lockdown. With this unprecedented lockdown everything has come to an abrupt halt and the academic world is not an exception. Because of the forced closure of educational institutions, the entire higher education system has been badly disturbed. In this type of situation e-learning has emerged as the most effective option – both for the students/ teachers as well as the college/ university management. Teachers as Primary stakeholders in teaching learning process have to adopt new e-assessment. Keeping in view the difficulties faced by teaching community in making e-Assessment GDC Pampore Organised this Webinar.

Prof. (Dr.) Seema Naz, the patron of the webinar and Principal of the college, in her inaugural address spoke on adoption and usage of e-learning assessment tools for diverse learners, Possibilities and Challenges Further she emphasized on the role of teachers in carrying out effective assessment and its importance for teaching learning process. Prof. Shah Lateef, Convener IQAC as Co-Ordinator as well as moderator of the event deliberated on the theoretical concept of assessment techniques and linkage between offline and online assessment methodologies' Prof.(Dr)Deepak Bishla, Head Department of IT. Dr.B.R. Ambedkar University, Delhi Resource Person for this programme gave a detailed insight into, how technology can be used to enhance assessment mechanisms especially in the last one year wherein, most of the teaching learning process had to be conducted online. He further elaborated role of various online plate forms like google classroom, Wise app, MOOCS in conducting the online assessment process. Further he explained importance of MCQs, Google forms for conducting online assessments. He also displayed videos & photographs of various teaching learning processes.

Formal vote of thanks was presented by Prof. Shah Lateef, Assistant Professor, and Head Department of Education, GDC Pampore and Rapporteur for the webinar was Mr. Manzoor Ahmad Assistant Professor Economics, GDC Pampore. The programme concluded with thorough discussion on the said theme.
